Att: Craig Edwards

7-9 Alison Road, Kensington **20 September,2019**

Dear Craig Edwards,

This letter confirms a site visit was made by kal bhinder, representing Durotech Australia Pty Ltd, on the 20 September,2019, to visually inspect the installation of the PUM/ATC Roof Membrane system.

On visual inspection, it was viewed that the system was installed in accordance to Durotech standard method statements. Recommendations were made to Craig Edwards Australia to conduct final repairs and inspections to the membrane for any damage prior to commencing further work.

Please note however that this site visit in no way represents supervision of the work carried out, and the responsibility lies with the applicator to continue to install the Durotech system in accordance to installation guidelines.

Hope all is understood and please feel free to contact for any other info.

Kind regards,

Kal Bhinder
