Hello Sam,

I am pleased to have met you in Newcastle earlier this week.

Sorry that it has been awhile to get back to you regarding our initial discussion.

Let me start by saying that we would be very happy to support you in your efforts to establish a wholesale / distribution outlet.

Whilst our discussions revolved around pu's and primers, please note that we manufacture a very comprehensive range of

Products including:

- Water based membranes – Durabit, Azcothane ranges.
- Cementitious 2 pack membranes- Crystoflex and Crystoseal.
- PU membranes – single and 2 pack
- Aliphatic PU membranes
- Trafficable membranes
- Anti-slip coatings – over membranes and stand alone.
- Sealers

However, confining this proposal to the polyurethane membranes and primers, as we discussed, let me provide you with some indicative prices.

These prices are for pallet lot buys (mixed pallets, within reason, would be acceptable), ex factory and ex GST.

DuroProof PUM 1k solvent based high performance polyurethane	15 Lt	$99.00
Duroproof ECO Black anti-sag, high viscosity, rollablepolyurethane membrane	15 Lt	$99.00
