Hello Maryanne Sandys,

I am pleased to have spoken to your in office today.

Sorry that it has been awhile to get back to you regarding our initial discussion.

Let me start by saying that we would be very happy to support you in your efforts to establish a wholesale / distribution outlet.

Whilst our discussions revolved around pu's and primers, please note that we manufacture a very comprehensive range of

Products including:

- Water based membranes –
- Cementitious 2 pack membranes-
- PU membranes – single and 2 pack
- Aliphatic PU membranes
- Trafficable membranes
- Anti-slip coatings – over membranes and stand alone.
- Sealers

We are also proud to announce a tile shop EXCLUSIVE range where water based waterproofing membranes start as low as ***$60***

However, confining this proposal to the polyurethane membranes and primers, as we discussed, let me provide you with some indicative prices.

These prices are for pallet lot buys (mixed pallets, within reason, would be acceptable), ex factory and ex GST.

If you Would Like anymore Information please dont hesistate to ask or call me on 0421670636
